Auto Dry Cabinets

Brand : X-Treme Series Auto Dry Cabinets
Model : XTC-520-S8
Product Description

- 1.The Best Solution for Drying, Baking, Testing, Storing.
- 2.1%RhHumidity attainable in 7 minutes!
- 3.0.5%Rh - 95%Rh Internal Humidity Ratio
15°C- 45°C- 60°Cup to 100°C Internal Temperature

First Time
in Korea

Nitrogen - Dry Cabinets

Brand : X-Treme Series Auto Dry Cabinets
Model : XSC-600-N2
Product Description

- 1.Smart Nitrogen Purge Units
2. 0.5%Rh Internal Humidity Ratio
- 3.Homogenous humidity throughout the Cabinet!

First Time
in Korea

Hybrid - Dry Cabinets

Brand : X-Treme Series Auto Dry Cabinets
Model : XTC-520-DN2
Product Description

- 1.Fastest dry cabinets in the world!
2. Dryer Unitsand Smart Nitrogen System works together
3. 0.5%Rh - 95%Rh Internal Humidity Ratio
15°C- 45°C- 60°Cup to 100°C Internal Temperature

First Time
in Korea

/ SJ INNOTECH /

Vision Screen Printer

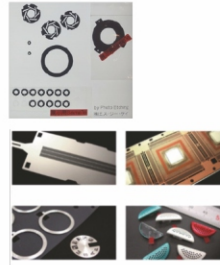

Brand : SJ INNOTECH
Model : HP-520E
Product Description

1. Automatic screen printer
2. Closed loop with any SPI and AOI model
3. Easily user friendly UI

Strength

1. High accuracy
2. High Speed
3. High quality

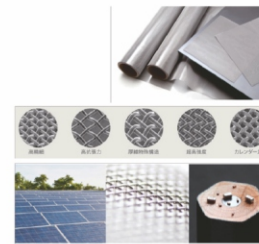

/ K FORYOU INTERNATIONAL /

포토에칭기술을 응용한 박판 초정밀기공품

Brand : S.G.K Co.,Ltd (Speed. Global. Kite. Contribution)
Model :
Product Description
1.SPASER FOR CAMERA MODULE LENS
2.Lead frame & parts
3.Speaker parts

First Time
in Asia

Stainless Steel Wire Mesh

Brand : ASADA MESH Co.,Ltd
Model : Standard - Type BS & Hardmesh - Type MS
Supermesh - type HS&SHS
UltraHard-Type HS-D
3D Mesh - Type 3D

First Time
in Asia

Dispenser Component & Nozzle & Valve

Brand : SAN EI TECH Co.,Ltd
Model :
Product Description
1.AUTOMOTIVE APPLICATION
2.ELECTRONICS - ASSEMBLY&PACKAGING

First Time
in Asia

20th ANNIVERSARY
ELECTRONICS
MANUFACTURING KOREA

Exhibits

- SMT manufacturing equipment & materials
- PCB assembly solution
- Mobile manufacturing solution
- EMS
- Optical components & materials
- Laser & laser application equipment
- LED manufacturing equipment
- Functional film & adhesive tape
- Film forming, inspection, measurement system
- PE materials, device & applications
- PE processing, equipment & design technology
- Robot operating software, system, communications
- Robot sensor, motor, PLC, HMI

Concurrent Events

- Technical Seminars

Demo Line

- High Performance Line Automation for PBA Handling

Sponsored by • Hanwha

- Exhibits
- Automotive control system
 - Automotive semiconductor/electronic components
 - ECU manufacturing & inspection equipment
 - Connected car manufacturing equipment
 - Advanced car security & simulation system
 - Autonomous driving car manufacturing & software
 - Sensor & camera module
 - EMC components, test & measurement equipment
 - Automotive electronics manufacturing tools

Concurrent Events

- Technical Seminars
- Exhibitor New Product Presentation
- 2019 International Future Automotive Forum
